Jenny Hawley I'm thinking the same thing. I'm guess I should be
thankful to News 10 since my department didn't let me know

Karatitan Sakonsana What the hell I just got out of class and I'm hearing
about this now?

Karatitan Sakonsana Yes I got out of class at ARC. I can't believe
that the media had to inform me of this while I was roaming around
an infected area

Beverage Laakmann 41 minutes is a terrifyingly long time for
wrong for many people.

Kayley Ryan The video is shocking. I'm surprised they had to
having to respond, as no one was supposed to be there. No one
when the police showed up. No one was supposed to be there. No one
kind of scenario. The school was supposed to be evacuated already in
surprised that they were still there. The school was supposed to be
died. The school was supposed to be evacuated already in
at large. Sounds like a failure of the school's safety plan.

They I was on campus during the shooting today, in the library. We
are from the news online and phone calls than from the
... They were very on top of it. But they did get us all out
I'm thankful for every day.
